# **Blood Alcohol Content Tester with Dual LCD Display**

The BAC-10 is a low priced **Blood Alcohol Content Tester** that will accurately display your BAC and g/l along with telling you the time on its dual LCD Displays. The BAC-10's BAC testing system has been tested and calibrated to be extremely precise.

To perform the test, you simply need to blow into a special opening in the breathalyzer for 5 seconds and you will get the results. It's that easy! As an added bonus, this highly portable breathalyzer has audio and visual warnings for Caution and Danger levels of your BAC.

Finally, you will have a real-time 12- or 24-hour Clock and a Countdown timer displayed. Keep it in your car or use the attachable hand strap to take it along with you anywhere.
